

**Fruit of the Spirit chatterbox  
(or cootie catcher)**

By Karen Whiting

- Cut along lines of catch to make a square
- Fold paper in half diagonally (corner to opposite corner). Unfold. Repeat for other diagonal.
- Turn paper so print side faces down.
- Fold each corner into the center, to meet but not overlap
- Flip paper over and fold corners to meet in center without overlapping.
- Fold the folded square in half (Fruit of spirit on outside) and then in half the opposite way
- Stick fingers inside Fruit of the spirit corner pockets and gently push inside center down to form cootie box. Use thumb and pointer finger of each hand to open and close the box. Open and close the box and stop. Pick a corner comment and see if you can guess which aspect of the Fruit of the Spirit it represents. Lift flap to check your answer.
