

# My Kindness Book

Age Level: ★★

*Never let loyalty and kindness leave you! Tie them around your neck as a reminder. Write them deep within your heart. PROVERBS 3:3*

## What It's All About

The Bible says not to ever let loyalty and kindness leave you, so that you will always be sharing God's love. One way to write kindness in our heart, as the Bible verse tells us, is to write about acts of kindness in this mini-book.

## What You Need

- ★ Kindness Book Pattern (p. 57)
- ★ Paper Cutting Tools (see p. 8)
- ★ Scoring materials (see p. 9)
- ★ Coloring & Writing Instruments (see p. 8)

## Preparation

Photocopy Kindness Book Pattern, making one for each child.

## What Children Do

Fold the Paper into a Book

1. Cut out Kindness Book Pattern along the solid outside lines.
2. One at a time, score and fold the paper along each of the solid lines and unfold.
3. Cut along the dashed line. Start by carefully inserting the end of one scissor blade anywhere along the line. Then cut.
4. Fold along the long center line again with the printed side facing out. Hold the two ends of booklet together and gently push them to meet at the center. This will form the kindness book. Turn the pages so your name will be on the cover.
5. Fill in the kindness book.

## More Booklet Fun!

Use blank paper to make your own booklets. You can make a booklet and fill it with encouragement to give to a friend as a kindness gift. Your booklet could include:

- ★ Photos of the two of you
- ★ Compliments
- ★ Thank you note for being a friend
- ★ Drawings you make
- ★ Scripture prayers
- ★ Promises to do something together
- ★ Secret messages
