count up your a's_____ b's_____c's_____ (this is a creative quiz- there's no points to letters and adding up a score!)

mostly a's: You like to create order from chaos and solve problems. You know how to find things, including answers! Hey, wanna come over and help clean my closet and figure out what to do with all the stuff?

Lots of a's, some b's: You like beauty and order. You enjoy helping others to find solutions.

Mostly b's: You appreciate creativity and beauty! You like to shop for ideas and are people oriented in your creativity. Try making your own statements more and discover what you like best not just what's popular!

Lots of b's, some c's: You balance your creativity with your friends. You enjoy team creativity!

Mostly c's: Wow! Do you ever take a break from being creative?! Your wheels are always turning and thinking up new things!

Lots of c's, some a's: Creative and organized! You make a good trouble-shooter. If you can't think up a solution you'll find one!

a,b,c's all equal: Unusual but not impossible! You create a balanced life! You can come up with ideas or follow the crowd. You probably make a good leader or committee chair.
